JUICES

Single variety APPLE JUICES

With single variety apple juice you can enjoy the full flavor and sweetness of each apple variety. We press 6 types of apples to 100 % direct juice, with no additional ingredients. Some of our apple juices are certified organic.

- Rubinette (*organic*)
- Elstar (*organic*)
- Old Orchard (*organic*)
- Topaz (*organic*)
- Boskoop
- Jonagold (*organic*)

Single variety JUICES

It is not all about apples. We also cold-press less common fruits and vegetables. Our single variety range includes a total of 8 healthy juices, with no extra sugar or other additives.

- Williams Christ Pear
- Morellenfeuer Cherry
- Pomegranate (*organic*)
- Stromberger Plum
- Aronia (*organic*)
- Haschberg Elderberry (*organic*)
- Wild Blueberry (*organic*)
- Yellow Tomato
- Datterino Tomato

JUICES

Single variety GRAPE JUICES

We extract the juice from grape varieties which are typically used in the production of German wine. Therefore our grape juices can be served perfectly as a still, non-alcoholic aperitif. The Riesling is white, while the Dornfelder is red. Both are certified organic.

- Riesling (*organic*)
- Dornfelder (*organic*)

NECTARS

Fruit NECTARS

We select the best, fully ripe fruits for our fruit nectars. With up to 75% of direct fruit juice a high juice content infuses our nectars with rich aroma. (No coloring or preservatives included.)

- White Peach
- Apricot
- Constantinople Quince
- Frambozen Rhubarb
- Black currant

NON-ALCOHOLIC APERITIFS

Fruit- SECCO

Pressed into a champagne-style bottle, our sparkling beverage is made from 100% pure juice, with 0% alcohol. Our Fruit-Secco is light, refreshing, and fruity in taste, making it the perfect choice for non-alcoholic toasts at special occasions and celebrations.

- *Fruit-Secco* Apple-Quince (*organic*)
- *Fruit-Secco* Apple-Currant-Raspberry
- *Fruit-Secco* Apple-Blueberry-Cherry
- *Fruit-Secco* Grape (*organic*)

Sparkling JUICY TEA

A sparkling mix of cold-brew tea and juices from rhubarb, grape or quince. An innovative product that comes in a stylish bottle, serving as a fizzy, low-calorie beverage with 0% alcohol.

- *Sparkling Juicy Tea*
White Tea-Tahiti Vanilla-Quince (*organic*)
- *Sparkling Juicy Tea*
Verbena-Jasmine-Riesling (*organic*)
- *Sparkling Juicy Tea*
Rose-Darjeeling-Rhubarb (*organic*)

VAN NAHMEN

Private fruit press since 1917

van Nahmen is a German, family - owned private fruit press established in 1917, which specialises in production which fit the 'not from concentrate, no additives, no colouring, no preservatives' market expectations.

All our products are pressed from locally sourced fruits and vegetables and are 100% vegan. Additionally, some of our apples, grapes or berries are BIO certified. Juices, nectars and non-alcoholic aperitifs are offered in stylish glass bottles and we have 3 formats available (0,75l, 0,25l & 0,20l). We supply to the retail and the HoReCa sector, to include Micheline stars rated restaurants.

Our products are now available across Europe and in Asia. The sales network is continuously developing, and we are looking for further opportunities to enter new markets.
